

**78TH ANNUAL SESSION TO BE HELD AT BANGALORE (KARNATAKA)
FROM 3RD NOVEMBER TO 6TH NOVEMBER 2017**

On the invitation of Government of Karnataka, the 78th Annual Session of the Indian Roads Congress will be held at Bangalore (Karnataka) from 3rd November to 6th November 2017. The Invitation Booklet containing the Tentative Programme, Registration Form, Accommodation Form etc. will be available in our website www.irc.nic.in. Accommodation is available on first come first serve basis.

It is expected that more than 3000 Highway Engineers from all over the country and abroad will attend the Session. During the Annual Session of IRC, there has been a practice for various firms/organizations to make Technical Presentations on their products/technologies & case studies (with innovative construction methods or technologies or having special problems requiring out of the box thinking and special solutions). The presenters will get an opportunity to address a large gathering of highway professionals from Private Sector as well as decision makers in the Govt. Sector. These presentations evoke lively interaction among the participants.

A time slot of about 15 minutes is normally allocated for each Technical Presentation. Time is also given for floor intervention. Audio visual equipment is made available at the venue for these presentations. During such Technical Presentation Session no other meetings will be held parallel so as to ensure maximum attendance during the Technical Presentation Session. The stakeholders are, therefore, requested to participate in the event and book slots at the earliest.

Interested Organizations may write to IRC conveying their willingness for participation and send the topics of their Technical Presentation by E-mail: ircseminar17@gmail.com or through Speed Post alongwith a Demand Draft for Rs.60,000/- (Rupees Sixty Thousand only) drawn in favour of Secretary General, Indian Roads Congress, New Delhi latest by 18th September, 2017 so that necessary arrangements can be made by IRC. Request received after 18th September, 2017 will not be entertained. Since the time slot available is limited, the interested firms/organizations may reserve the slots at the earliest instead of waiting for the last date.
