

**NATIONAL WORKSHOP ON
“PLANNING AND DESIGN OF URBAN ROADS & STREETS”**

INDIAN ROADS CONGRESS

WRI INDIA

Indian Roads Congress (IRC) in association with World Resources Institute India (WRI India) is organizing a Two-day National Workshop on “Planning and Design of Urban Roads & Streets” on **7th & 8th October, 2017** (Saturday and Sunday) **at India Habitat Centre, New Delhi**. The workshop will provide a forum for sharing common challenges of urban roads, discovering innovative solution, sharing best practice, discussing urban policy planning and design issues in India and also dissemination of information about standards, codes set forth by IRC on urban roads, road safety, environment, aesthetics, etc.

The Workshop is open on first-come-first-serve basis to engineers, planners, designers, academicians, scientists, policy makers, administrators and highway professionals dealing with Urban Roads and Streets. Interested personnel may send the filled-in Registration Form to IRC Secretariat.

The workshop booklet containing programme details will be made available on our website www.irc.nic.in and www.wri.org.
